

Water Source Change Notice

Last updated: May 12, 2025

Starting **May 13th**, we'll be switching our water source from **Powder Basin** to **Rhonda Lake** for the following areas:

- **Ridge Day Lodge**
- **Snow Pines**
- **Monashee Ridge**
- **North**
- **Perfection Ridge**
- **Bears Paw**
- **Alpine Timbers**
- **Chateau on the Ridge**
- **Legacy**
- **Legend**

Grizzly Ridge will stay on the Powder Basin source in order to maintain fire flows and sprinkler pressures.

What to expect:

This change may **temporarily stir up sediment**, causing **discolored or cloudy water** in some areas. Don't worry—**your water is still safe to drink** and meets all health standards.

If your water appears discolored: Run your **cold water tap** for a few minutes. Thanks for your patience as we keep the system running safely and smoothly!
